APRIL, A.S. XLV (2011)

THE OFFICIAL NEWSLETTER OF
THE BARONY OF SETTMOUR SWAMP

To the populace of Settmour Swamp, greetings from Alexander and Rhiannon.

By the time you read this Mudthaw will have come and gone we would like to thank everyone for all their efforts for making this event happen but we will leave the details until next month.

On March 12th a group of us had the chance to travel to the University of Pennsylvania Museum of Archaeology and Anthropology to see the Secrets of the Silk Road exhibition. We had a wonderful time. It is a shame the exhibit was forced to close early. We do hope everyone who wanted to see it had a chance to get to the Museum before the exhibit closed. Thank you to Merlinnia, Ceara, Stephanie, Mike, Katherine, Ben and Cathy for joining us. Ideas for the next road trip are already pouring in. It seems there are several exhibits of interest going on over the next several months. Please keep an eye out for the announcements for more information. We hope to have

about 3 trips between now and the fall.

At Mudthaw our current Seneschal Lord Erec L'Clair will be stepping down. We would like to thank him for his years of service to the Barony as our Seneschal. Vivat for a job well done! THL Emeline Patterson will be stepping up to the position as Seneschal of Settmour Swamp. We hope you all give her your support during her term and we look forward to working with her.

With Spring officially here plans are underway for this year's Quest. This year the Quest will be based on The Decameron and our travels from Florence to the country to avoid the bubonic plague. If you are interested in helping out please contact our Autocrats Dom Galefridus and Lady Katherine.

With the weather warming up it also means that Pennsic is coming up. We will have our normal meeting after court on Sunday this year's party

theme and review anything else needed for this year's camp. We do need volunteers for Camp Mommy / Slum Lord and Land Agent. Alexander will be available to be Land Agent if needed, but we would like to find someone who would be interested in helping with it or taking it over. Please contact us soon if you are interested in either position.

Speaking of Pennsic, thank you to Erec L'Clair, James, Bowie and Phillip for traveling out to Coopers Lake to retrieve the tower project and drive it home. The tower is now at Eric and Nan's home and we will be having workshops soon to finish it.

We are still looking for a new practice site to use. If you know of a site, please let us or Emeline know.

Quest XXVIII: A Pocket Full of Posies

May 27th, 2011 - May 30th, 2011

Welcome to 14th century Florence, where plague is stalking the streets. Join us as we escape the city to our country retreat and seek to amuse ourselves.

Fighters, bring your armor and weapons. Fencers, bring your rapiers. Archers, bring your bows and arrows, and those who practice target throwing, bring your axes and knives. Artisans, bring your Arts and Sciences projects. The winners of these tournaments will be our Baronial Champions. The fighting, archery, and thrown weapons competitions will be held on Saturday. Fencing competition will be on Sunday. In addition, a brewing contest will be held on Saturday.

After a long day of events we will be having a great Italian feast on Saturday evening prepared by Lady Charis (menu to be announced). The feast will be limited to 100 gentles, so we ask you to please register early. After the feast we challenge you to gather around our fire pit and entertain us with your songs and stories. The best of all will be named our Bardic Champion.

For those looking to use their wits, we offer you a mighty quest based on Boccaccio's Decameron. It promises to be fun and challenging. The Quest will begin at 1 PM on Sunday. Childrens teams are welcome, but they must be accompanied by an adult.

We ask that you supervise your children at all times. Anyone under the age of eighteen who is not with a parent must be accompanied by an adult and must present a consent form signed by the parent listing the parents contact information. If a minor does not have a blue membership card, a minor waiver must be signed by the parent/legal guardian and presented at Troll. Copies of this waiver are available on-line at <http://www.sca.org/docs/waivers.html> and will be available at the event.

The camping area will be open from 4 PM Friday until 11:30 AM Monday. It is a damp site, which means beer, wine, and mead are permissible, but please no distilled liquor. Running water is not available on site, so please bring enough bottled water to last the weekend. Port-a-Johns, dumpsters for garbage, and bins for recyclables will also be provided. In addition to feast gear, you will need chairs and a table, or a blanket to sit on for the feast. There will be a large, central fire pit for socializing. Pets are welcome so long as they are leashed and cleaned up after.

There will be an Inn on site run by Rachel of Gwynedd. Several fast food establishments are a short distance away.

Reservations must include Mundane and SCA names for all persons included in the reservation, in addition to the ages of all the children included in your party. You will need to provide proof of membership for all members included in the reservation (photocopy of membership card or a copy of the cover of a recent Pikestaff with the member's name is acceptable). Also include contact information for the head of your party. The check or money order should be made out to SCA Inc., Barony of Settmour Swamp for the total amount of the reservation.

Merchants are most welcome, and there is no merchant fee. We do ask that you bring your own tables and PLEASE pre-register so we can allot you enough space. All Merchants must contact the Autocrat prior to the event. With your reservation please include full contact information as well as the name of your merchant booth.

News from around Settmour Swamp

News from their Majesties Court at Mudthaw:

- Congratulations to our Baron, Master Alexander Macgregor on his induction into the Order of the Pelican.
- Congratulations to our Baroness, Rhiannon de Carreg Cennen and Lady Ása in Svarta on their induction into the Queen's Order of Courtesy.
- Congratulations to our knight marshal, The Honorable Lord Erich Hundeman on receiving a Grant of Arms.

It takes many people to run an event like Mudthaw. From the people there the day before to set up things; to those who worked troll, welcoming people to the event; to our marshals and MOLS; our A&S coordinators and judges; our head chef, cooks, and servers; and those who stayed to clean...

Trying to name each person would be too difficult. We would forget someone and some we will never know who did something small or large to help the event run. So to each and every person who attended, who helped out, who made the day what it was....

To those who stayed late to clean in the kitchen:

- Jon i Visby, who was in the kitchen all day scrubbing dishes
- Tjelvar Inn Landverski who jumped into the kitchen to help clean at his first event in the Kingdom
- Master Ali (Arab Boy) and Duke Konrad who stayed late and cleaned the last of the dishes.
- Mistress Juliana von Altenfeld, Don Edmund Patterson, Don Malcolm Bowman, Lady Caitriona of Greenwood Isle, Lady Jehane de Fenwyk, Lady Kalisfena Greenwood
- And anyone we may have forgotten...

THANK YOU!

The Honorable Lady Emeline Patterson &
The Honorable Lord Owynn Greenwood

FROM THE BOARD

Due to external economic conditions and increased overall costs facing the SCA Inc., the Board of Directors and senior staff have been forced to make over \$250,000 in cost cutting measures to the 2011 budget in order to ensure continued operations.

The largest recurring expense for the SCA at the corporate level is the stipend payments made to the Kingdoms for publishing hardcopy newsletters. As our modern society moves increasingly away from hardcopy publishing to electronic mediums, the costs of hardcopy publishing have increased proportionally. Based on the need to curb these costs, and the responses of the membership in the 2010 census, the Board of Directors believes it is essential for the continued financial health of the SCA to transition the organization away from paper newsletters. Accordingly, the SCA has initiated a project to transition all kingdoms to e-newsletters, and is projecting implementation by Jan 1, 2012. Until the SCA has the infrastructure in place to support e-newsletters, the 2011 stipend amount provided by the corporate level for production assistance will be reduced to cover only those aspects required by the governing documents. This will reduce the overall stipend for mailings and production by 60%. The decrease will begin with the stipend checks being mailed after the end of the 1st quarter of 2011. The Board of Directors greatly regrets the necessity of making these changes to the stipend structure, but feels that it is the best of an array of difficult options to execute its fiduciary responsibility to the membership of the organization.

This means that postage will still be covered for all mailing classes, including the expected postal rate increase later this year, but the production stipend will be greatly reduced. Most components of newsletter production costs are controlled at the Kingdom level, including newsletter size, use of color printing, page count due to non-required information, and printing companies utilized. Thus, Kingdom Chroniclers have several tools at their disposal to lessen the impact of the stipend decrease. To further mitigate the financial impact to the Kingdoms, the following changes in required inclusions will be effective with April 2011 newsletters:

- Membership forms will no longer be required to be published
- The list of Board of Director nominees will no longer be required to be published
- Full Society regnum will no longer be required to be published. Contact information for the Kingdom Ombudsman must still be included.
- A statement indicating where to locate the additional information on www.sca.org and/or Kingdom websites will be required to be published.

As additional reminders, branch event announcements are only required to be published for the month in which the event occurs. Should the branch event occur in the first week of the month, publication in only the prior month is acceptable. Please refer to the Chronicler's Handbook for the minimum event information required for publication.

The Society Chronicler has information available for the printing house in Knoxville, Tennessee (USA) that several Kingdoms have already been utilizing for more cost-effective printing and mailing services.

Fundraising that is specifically done for the purpose of newsletter publication is still allowed, but (as always) is at the discretion of the Kingdoms.

The Board of Directors, SCA, Inc. greatly appreciates the time and effort put into newsletters produced at all levels of the organization and is committed to implementing a financially responsible process to provide information to the membership by a blend of electronic and hardcopy media.

Please contact your ombudsman with questions or concerns.

Many Hands Make Light Work

Running barony, canton or an event like Twelfth Night, Mudthaw, Quest, or even Black Gryphon Inn takes a lot of work. There are many positions where volunteers are needed. From decorating the hall and setting up chairs, to cleaning up after the event, the more people who pitch in, the better the event is for everyone. Volunteers are needed to help with event and as officers. For more information on how you can help out, please contact Emeline Patterson: seneschal@settmourswamp.eastkingdom.org.
