Summary of the Minutes of the Baronial Business Meeting

June 15, 2018

Held at Montville First Aid Squad (with video conferencing)

Present: Jonathan, Teresa (taking notes), Judith (chairing), Galefridus, Emeline, Charis, Natal'ia, Hekja, Jocelyn, Rowan (by computer). We had a quorum.

Minutes and summary were approved from May.

QUEST

Charis, Hekja, Natal'ia, and Charis reported on details:

Attendees: 196 trolled in; there were a few who may not have trolled in. We made money on the event.

No emergencies or health issues.

The Quest and feast went well without issue.

People arrived way ahead of the site opening. We need to address this next year.

We need to make sure that parking is enforced better.

Feast came in under budget.

Next year: Breakfast!

We raised approximately \$800 from the auction for rebuilding the Pennsic Tower!

Exchequer Matters

Swamp Camp

There is not much to discuss as of yet. As discussed at Quest, we will not setting up the Tower this year. The party theme is "God and Goddesses: University Days."

Canal Days

Jonathan will reach out to let our contacts at this event know we are still interested in participating. He will be the contact person again this year.

50 Year Event

As a barony we have a 10x10 display in the Hall of History. Ursula has provided a lot of photos, and Judith needs input on what to include. We need to include a little bit of everything we do as a barony. Emeline has designed the baronial display.

There are also plans for a memorial garden. Judith asked other people to volunteer to contact Cass, Teric, and Merlinia for memorials for Alexander, Ragnor, and Irik. Judith is willing to take any that are sent to her ahead of time.

Dishtowels

We finally have a bunch of them, and there is a mesh bag to store them.

K&Q A&S BID - Mudthaw

Galefridus has submitted a bid. Their highnesses asked that we combine the competition with Mudthaw. We will hold the Mudthaw event at the Ss. Nicholas church regardless of whether we receive the K&Q A&S bid. If we get the bid, we won't hold the Artisans Row—we need that space for the competition.

We need an autocrat who is not Galefridus – he explicitly does not want to autocrat and provided his name only in connection with the K&Q A&S bid.

Mudthaw

Judith signed the updated contract for 2019.
